# ÖZADANA

## About Us

*We are pleased to present fermented carrot juice, which is a local beverage and originally belongs to Adana city and its region, in global market by producing homemade taste with conventional techniques.*

*We draw our strength from Anatolia's benign. By supporting Turkish agriculture, we are offering healthy products to dinner tables by blending 20 years of know-how and farmers' harvest.*

*Öz Adana food and beverage company will continue to deliver top-quality beverages and dressings worldwide with ability of adaptation to developing world and sustainable investments on technology.*

*Our firm is a brand with adopted food security strategies and draw its strength and persistence from Turkey's benign and moving forward by promise of delivering healthy and reliable products worldwide fast and safely. Thus, sustainability is a commitment of ÖZ ADANA GIDA brand.*

## Mission

*Our mission is to bring newest products of Turkey from the bottom of supply chain to dinner tables healthfully and to make consumer-led production by prioritising health and naturality in all our products and by serving our suppliers and customers with moral values.*

## Vision

*Our vision is to be the most preferred brand in global market by meeting expectations of our customers with top-quality.*

## Sustainability Vision

*Keeping the %100 customer satisfaction by working to get better every day, producing reliable top quality and delicious newest products of Turkey according to our customers' taste.*
